Al Salama

SCHOOL OF SAFETY STUDIES

OVERVIEW

Today, we stand tall as one of the leading NEBOSH Gold Learning Partner in India. This 2/4 accreditation acknowledges our unwavering commitment to delivering exceptional training at the highest international standards. Our diverse range of courses, including NEBOSH IGC, IOSH Managing Safely, and many more, cater to the needs of individuals and organizations across various industries.

Al Salama has a team of experienced and qualified trainers who are dedicated to providing students with the best possible learning experience. They use a variety of teaching methods, including lectures, workshops, and case studies, to ensure that students understand the material.

Al Salama's graduates are in high demand by employers in India and around the world. They have a strong track record of success in helping students find jobs in the health and safety industry.

OUR VISION

At Al Salama School of Safety Studies, we believe that everyone deserves a safe and healthy workplace. That's why we are dedicated to providing high-quality accredited health and safety training that empowers individuals and organizations to build a safer future.

OUR MISSION

Our journey began with a deep understanding of the critical importance of safety in our everyday lives. We saw the devastating consequences that accidents and injuries can have not only on individuals but also on families.

NEBOSH INTERNATIONAL GENERAL CERTIFICATE 2026 (GIC1 & GIC2)

The National Examination Board in Occupational Safety and Health (NEBOSH) is a globally respected UK awarding body. NEBOSH qualifications are trusted by employers, regulators, and professionals in more than 130 countries. The NEBOSH IGC is designed for managers, supervisors, and safety practitioners working in international environments

QUALIFICATION STRUCTURE 2026

Al Salama School of Safety Studies delivers the NEBOSH International General Certificate as per the latest 2026 specification, ensuring global relevance and practical competence.

The qualification consists of two mandatory units:

GIC1 – Management of Health and Safety (Theory)

GIC2 – Risk Assessment (Practical)

Successful completion of both units leads to the award of the NEBOSH IGC

UNIT 1: GIC1 – MANAGEMENT OF HEALTH AND SAFETY

Assessment Method

24-hour Open Book Examination (OBE)

Scenario-based questions

Online submission via NEBOSH platform

Learning Outcomes & Syllabus Content

1. Why We Should Manage Workplace Health and Safety
2. How Health and Safety Management Systems Work
3. Managing Risk – Understanding People and Process
4. Health and Safety Monitoring and Measuring
5. Physical and Psychological Health

UNIT 2: GIC2 – RISK ASSESSMENT (PRACTICAL)

Assessment Method

Workplace-based practical risk assessment

Online submission

Must be submitted within 10 working days after completing GIC1

Points-based marking, 60% pass mark

WHO SHOULD TAKE THIS COURSE?

1. Safety Officers & HSE Professionals
2. Engineers & Supervisors
3. Site Managers & Project Managers
4. Aspiring Health & Safety Practitioners
5. Anyone responsible for workplace safety

CERTIFICATION

On successful completion, candidates will receive: NEBOSH International General Certificate Internationally valid lifetime qualification Choose NEBOSH IGC to lead with confidence, competence, and global recognition in occupational health and safety.
